MRS. C. C. CHANDLER PASSES AWAY

Mrs. C. C. Chandler passed away at her home, 104 North Cypress Street, Glendale, Calif., Thursday, January 16th, at 2 o'clock. The funeral will be held at the Little Church of the Flowers, Forest Lawn Cemetery, at three o'clock this afternoon, Saturday, January 18th.

Obituary

Ann Elizabeth Chandler, widow of Cornelius C. Chandler, passed along in the life eternal, Thursday Afternoon, January 16th, 1919, at the family residence in Tropico, Calif.

Mrs. Chandler was born on a farm near Troy, N. Y., November 30th, 1836. She was married January 1st, 1856. She was the mother of and is survived by: Alphonso L. Chandler, Lawrence O. Chandler, Mrs. E. B. Elias, Mrs. C. L. Peckham, Cornelius C. Chandler, and Mrs. E. H. Weston.

During all the years covering this transitory period of Mrs. Chandler's life, she was known as one who professed and practiced the Christian virtues. A devoted daughter, wife, and mother, a loyal friend, a patriotic woman, who served her country well, back of the firing line, through three wars. Withal a delightful personality, jovial, generous and kind to everyone.

A Crown of Victory is hers.

Several of the Scouts from the Tropico Troop spent an enjoyable week-end and passed tests at Camp Arthur Letts, situated in the Hollywood Hills. The boys who enjoyed the trip were: Bob Searle, Andrew Ballantyne, George Farrell, Lewis Barnes, Allison Kinney, Herbert Bruck, and Walter Sullivan.

JOINT INSTALLATION OF N. P. BANKS POST AND CORPS

The installation of officers in the N. P. Banks Post and Corps, held at the G. A. R. Hall on Friday, January 10th, proved to be one of the most successful events in patriotic circles ever seen in this community. The officers of the Grand Army post were installed in the forenoon, Comrade Theodore Kanause, a charter member of the Post, officiating as installing officer, and being ably assisted by Comrade Thomas Hull, of Los Angeles, as Installing Officer of the Day. The simple, yet tremendously impressive ceremony was conducted by these officers with excellent precision and accuracy. The following officers for the ensuing year were installed:

Commander, J. A. Thayer.

Senior Vice Commander, William Collins.

Junior Vice Commander, A. W. Scudder.

Adjutant, Thomas M. Barrett.

Sergeant Major, R. Dana Goss.

Quartermaster, John J. Weiler.

Quartermaster Sergeant, George W. Sanford.

Officer of the Day, Robert Taylor.

Officer of the Guard, Mr. Houdyshel.

Surgeon, A. H. Guernsey.

Chaplain, C. R. Norton.

Color Bearer, Thomas Gillette.

Patriotic Instructor, C. R. Norton.

Concluding the installation of the Post officers, luncheon was served, under the supervision of Mrs. Mary Rhea, to the members of Post and Corps and their numerous friends from Los Angeles and other cities. Entering the banquet room, one was immediately impressed with the beauty and tastefulness of the decorations. Streamers of smilax inter-

woven with carnations graced the tables, while from the grill-work above depended the National colors.

Following the daintily prepared and thoroughly enjoyable luncheon, an excellent program was presented under the capable direction of Mrs. Louise Purnell, the retiring president. A reading by Priscilla Houdyshel entitled "A Modern Sapho," proved to be a novelty and was well received. Following this number the audience was charmed by a tenor solo rendered by Dr. Presley Owen Lucas, a member of N. P. Banks Sons of Veterans. So well pleased were his hearers with the rendition of "Mother Machree" that Dr. Lucas responded with another of Olcott's sweet melodies, "When Irish Eyes are Smiling."

Resolutions were presented by a committee appointed for the purpose, on the passing of the distinguished American, Theodore Roosevelt. The resolutions were as follows:

WHEREAS, in the sudden passing from the field of active life of the distinguished citizen and past President of the U. S., Theo. Roosevelt, the world has sustained an irreparable loss and is deeply shocked with the feeling that there is no present recompense; and

WHEREAS, In his death the representative of the highest type of manhood and Americanism has been removed and one whose life and achievements will remain fresh in memory and an incentive to the present generation and all posterity worthy of the highest emulation possible to reach; one who stood at the very pinnacle of achievement as one of the greatest men produced in this age, one whose courage hesitated at no sacrifice, however great, to accom-

GERMANY'S DAY OF RECKONING

That Germany must "dig up" for the losses her government assumed the payment of when it shouldered the burden of developing "the greatest war the world has ever seen," is certain, and as just as it is certain. But it is none the less lamentable that the prodigious load is destined to be shifted from the shoulders of the nobility to those of the plain people of the country.

These plain people, the German masses, had no voice in bringing on the war, in its development, or in directing the deeds of its armies; but they stood behind their vast legions supinely indifferent to their horrible cruelties and ruthless outrages on land and on sea. As a consequence, now, in the moment of their dire extremity, they fail to command our unrestrained sympathies.

True, they have had little chance for making their power felt or their voice heard above the din of battle, at any time from the beginning to the end of the terrific struggle, either in protest against or approval of war purposes or methods. With rare exceptions they have stood ready and willing, if not anxious, to share in the promised advantages to themselves individually as well as the "Fatherland," that the inhuman exploits of their armies might achieve. With the weight of this appalling fact against them must our sympathies be gauged and our judgments determined.

It surely is a sorrowful commentary on the boasted elevation of these people from the thralldom of their ancient barbarism. Yet after all, is there so very much dieffrence between these plain people of Germany and the plain people of most of the other countries of Europe? Are they not alike under the inherited curse of the European system left over from the dark ages? Are not the teachings of

the Christ dead and forgotten in the land of Luther? Has not the free air of heaven ceased to find its magic way among its people, invigorating, uplifting and inspiring to the nobler deeds of the better life? Yet—lest we forget—these people have endured long years of personal vassalage and political effacement, so little calculated to fit them for the higher duties of citizenship—so little prepared for shouldering the responsibilities of government, especially of a financial character; and—lest we further forget—must we not consider that while in this condition of helplessness these grave responsibilities have been forced upon them, and the ruling classes responsible for it relegated to regions of noxious desuetude, very much to their gratification, no doubt?

Whether it was good generalship or wise statesmanship to have relieved the hitherto ruling classes of Germany from responsibilities for the war, including their personal liability for the losses and injuries they had caused, before the day of reckoning had come and gone, as it would seem is the case, may well be questioned. But surely, if a mistake has been made in this respect, it is not too late to correct it by the exactions of the terms of peace fixed at the Paris congress. With President Wilson on the job, we may reasonably expect that in this matter as well as in every other matter, justice and right will rule.

That the estates of the hitherto ruling class of Germany, those titled mal-factors of great wealth, can escape confiscation and application to the payment of the country's indemnity debt, is—unthinkable. It is certainly within the province of the Paris Peace Congress to go to the assistance of the common people in this vital matter at this critical moment of their ascension to power and sovereignty.—Nelson C. Burch, in Fillmore Sun.

CALIFORNIA SOLDIERS, SAILORS AND MARINES EXEMPT FROM TAXATION

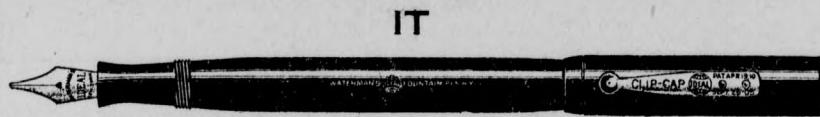

Every tax assessor and collector in the state of California has been warned by Congressman Randall that Section One and One-Quarter of the California constitution requires every soldier sailor or marine who served during the war with Germany to be exempted from city, county, and state taxes on all his property to the assessed value of \$1000. Mr. Randall is the author of this law, and its benefits go to the soldiers of all wars. As property is assessed at about one third of its value in California, the law exempts from tax payment three thousand dollar homes or other property to that aggregate value. If the soldier does not own that much property, so much of his wife's property is also exempt to make up the total exemption. The widow of a soldier, or if there is no widow the widowed mother of the soldier is granted the exemption, and all pensioned widows, fathers and mothers are exempt from taxation under the Randall law.

DR. LUSBY RETURNS

Dr. Ralph W. Lusby returned to Glendale last Sunday, having received his honorable discharge from the United States army. Dr. Lusby has been having some very valuable experience during the last few months, being engaged in bacteriological work at Fort Oglethorpe, and associated with some of the greatest authorities in that line of research in America.

Captain J. L. Flint, who has been for some time in the service of Uncle Sam in a camp hospital at Camp Lee, Virginia, has been at home for a few days on a short leave of absence. Dr. Flint is looking fine, and Mrs. Flint and the new baby, born last week, are reported to be doing well.

DR. C. IRVING MILLS DEAD

A keen personal loss was felt by a great many citizens of Glendale when the announcement was received on Thursday morning that Rev. C. Irving Mills had died the night before at a Los Angeles hospital, following an operation.

Dr. Mills had been a resident of Glendale for the past five years, and for a large part of that time he has been chaplain of the local Elks' lodge, which he joined in 1913. He has especially endeared himself to the members of that organization. He leaves a wife, one daughter, and one son.

C. Irving Mills was born in 1851 in Boston Massachusetts, and received the greater part of his schooling there. He was graduated from both the law and the theological courses in Boston University. For twenty-five years he labored in churches of Denver and other places in Colorado, and about five years ago he became rector of St. Mark's Episcopal Church in Glendale.

Funeral services were held at the residence, 215 South Central Avenue, yesterday (Friday) afternoon, in charge of Bishop Johnson. Services at the grave were conducted by the Elks, with Rev. Baker P. Lee acting as chaplain.

PROCEEDINGS OF BOARD OF TRUSTEES

The regular meeting of the Board of Trustees of the City of Glendale was held on January 16th, 1919. The Board assembled at 8 o'clock p. m., all members present. The minutes of the last regular meeting were read and approved.

The City Manager presented a report in regard to the bids received at the meeting of January 9th, 1919 for the improvement of Broadway, the same having been referred to him for examination and report. The report stated that seven regular bids had been received as follows:

George R. Curtis	\$43,794.35
H. E. Cox	45,272.85
Peter L. Ferry	59,382.00
Los Angeles Pav. Co.	53,403.10
Fred Hoffman	48,410.85
F. V. McPeak	57,290.50
W. Liddington	52,085.85

George R. Curtis, whose bid is \$43,794.35, being the lowest of the bids received, was on motion of Trustee Henry, seconded by Trustee Muhleman, awarded the contract, all voting aye.

Upon motion of Trustee Muhleman, a formal resolution, No. 1061, was adopted, awarding the contract for

the improvement of Broadway to George R. Curtis, at the prices named in the bid, all voting aye.

A communication was read from the Greater Glendale Development Association, consisting of copies of two resolutions adopted at the mass meeting under the auspices of that association held at the High School Auditorium on January 14th, 1919, in regard to the telephone rate situation. After a brief informal discussion, the communication was filed.

A report was presented from the City Health Officer in regard to the influenza epidemic, showing a total of 90 new cases reported during the past six days, the last being ten on this date.

Report received from the Treasurer for the month of December and from the Tax Collector for the week ending on this date showed receipts \$241.67; total collections to date, \$56,091.83.

The City Manager made a report upon the garbage question, and on motion of Trustee Shaw, duly seconded, and adopted, the City Manager was instructed to give assistance to the garbage man during the week now beginning, and if possible to secure bids for doing this work and make a recommendation to the Board.

On motion of Trustee Shaw, the City Manager was instructed to ad-

belonging to the City. Bids to be opened at the next meeting.

The Manager of the Public Service Department reported pump equipment at the Glendale Avenue Well as no longer required by that Department and requested authority for the sale of the same. There was no action taken.

The City Attorney made a brief report as to the result of his investigation in San Francisco in regard to the Railroad Commission in reference to action taken by that commission authorizing the increase of toll rates between Glendale and Los Angeles. The City Attorney had been unable to find any record of such authority. On motion of Trustee Shaw, the matter was referred to the committee of the whole to consult with the City Attorney as to the best action for the City to take in the matter.

In reference to the refund of taxes to tax payers in annexed territory who had been assessed both by the County of Los Angeles and the City of Glendale for the current year, the City Attorney read a copy of a letter which he had prepared in regard to the subject to be sent to the representative of these tax payers. On motion of Trustee Shaw, duly seconded and carried, the City Attorney was authorized to forward the letter as read.

The City Attorney reported on the matter previously referred to him as to the law regulating a hospital for the insane. In his opinion the Board of Trustees has authority to regulate or prohibit the same. On motion of Trustee Shaw the City Attorney was instructed to prepare an amendment of the Hospital and Sanitarium Ordinance in regard to this matter.

The City Attorney reported that when in San Francisco he had taken up with Mr. Edgerton of the Railroad Commission the matter of the taking over by the City of Glendale of the Tropico electric system, which has been temporarily held up awaiting an order of the Commission. The Commissioner intimated, however, that he is not inclined to accept the views of the City of Glendale in regard to the payment of the additional ten per cent of the price which has been arbitrarily added to the amount agreed upon.

Trustee Shaw of the Finance Committee presented a typewritten report covering the condition of the Public Service Department, making certain recommendations in regard to the same. The report was read by the Clerk, and on motion of Trustee Shaw, recommendations contained in the report were approved and adopted, all voting aye.

On motion of Trustee Muhleman, it was ordered that the City Manager or the City Clerk communicate with Mr. Shanko of the committee on community singing on the action taken by the Board of Trustees when he was before that body in reference to a contribution for the purpose of defraying the expenses of these entertainments.

Adjourned.

THE MISSOURI MULE ABROAD

A long and patient effort on the part of a khaki-clad driver to induce a mule, drawing what appeared to be a load of laundry, through the gateway of a local hospital afforded considerable amusement to the boys in blue, who were watching the proceedings. The mule would do anything but pass through the gateway.

"Want any 'elp, chum?" shouted one of the boys in blue to the driver, as he rested a moment.

"No," replied the driver, "but I'd like to know how Noah got two of these blighters into the Ark."—Tit-Bits.

W. C. T. U. NOTES

By Miss Adda Burch

A strong program was presented on

Wednesday at the City W. C. T. U. Federation. Visitors from Glendale, Canada, and Nebraska were present, and were introduced. The president's symposium in the forenoon, and a discussion on how to win world prohibition, together with the president's Half-Hour, were the principal features of the forenoon session. In the afternoon, Dr. S. T. Montgomery, speaking for the Anti-Saloon League, Mrs. Julia D. Phelps, representing the W. C. T. U., and H. Clay Needham, speaking for the Prohibition Party, made forceful and able addresses on how to win world-wide prohibition. Mrs. A. C. Bilbrew, dramatic reader, very pleasingly recited an original poem, "Black Boys in Khaki."

Inglewood W. C. T. U. will hold an Institute January 23; Chesterfield Square, January 28; Highland Park, January 31. Full program and particulars next week.

Mrs. Kara Smart Root, of Glendale, state corresponding secretary of California W. C. T. U., and a member of Glendale W. C. T. U., has been honored by an invitation by cable from Japan to take charge of the prohibition campaign in that country. Mrs. Root was formerly W. C. T. U. Missionary in Japan, is a fine speaker, and the invitation comes as a very great compliment to her splendid work in former years.

A rare treat is promised in the program to be given at the Los Angeles W. C. T. U. On this occasion the annual Press Program will be given, in charge of Miss Adda Burch, county superintendent press department. Miss Emma Welch, state recording secretary of Rhode Island, will speak on "The Power of the Pen for Good." Miss Pearl Rall, club editor of the Express, will discuss "How to Put it Over." "Trials of a Reporter" and a dramatic reading by Mrs. Billbrew, together with special music by Mrs. J. C. Dorrington, make up a program well worth hearing. As an additional tribute to the memory of this typical American, a poem was read by Glendale's noted poet, Samuel Parker, one-time friend of Lincoln, which poem will be released to the press at a later date.

Among the notable visitors who spoke at this time were Comrade and Mrs. Van Campen, of Minnesota, Mrs. Van Campen being past president of the Department of Minnesota and Past National Patriotic Instructor, and Comrade Van Campen a Past Department Commander of the same state. The talks of both these visitors were of a highly patriotic nature, and were roundly applauded. At the close of the program, the installation of officers for N. P. Banks W. R. C was proceeded with under the direction of Mrs. Sarah Martin, president of Bartlett-Logan W. R. C., installing officer, ably and efficiently assisted by Elizabeth Spafford, installing conductor.

The music for the occasion was furnished by Mrs. Gertrude Griffin.

Opening the ceremony to the stirring strains of "The Star Spangled Banner," the installing officer and her assistant proceeded with the beautiful and inspiring work of installation. So perfect were the participants in all of their work, that not one error was registered against them, which in itself is a remarkable achievement. The retiring president, Louise Purnell, was the recipient of a beautiful Past President's pin, a gift from the W. R. C. Mrs. Purnell was also the recipient of a bouquet of pink carnations presented by Adelaide Im-

MASONIC LECTURE

Unity Lodge No. 368, F. & A. M., has sent out invitations to all the members of the local lodge and to neighboring lodges, for an illustrated lecture which is to be given at the local lodge room in the Masonic Temple, tonight, Saturday, January 18th. The lecture will be given by Robert D. Graham, of Denver, Colorado, and his subject is "The Wages of a Master Mason."

Mr. Graham is known as one of the most interesting and instructive Masonic lecturers in the United States, and his former lecture, "The Hidden Mysteries of Freemasonry," is remembered by members of the local lodge as the best Masonic lecture ever delivered in Glendale.

All Master Masons are invited, and an admission of fifty cents will be charged, the proceeds to go to the charity fund of the lodge.

MASS MEETING HELD

A rousing mass meeting was held Tuesday night at the High School Auditorium, chiefly for the purpose of hearing a report from City Attorney Evans as to the result of his investigation of the right of the telephone company to make the proposed toll charge to Los Angeles. There was no doubt as to interest in the subject, as every seat was filled, and numerous citizens took part in the discussion later.

Attorney Evans, has taken up the matter very thoroughly, and his opinion of the status of the case was in his final words briefly summed up as follows:

"I am perfectly convinced that the telephone company has no authority from the Railroad Commission, the United States government or any other source to institute a long distance charge from here to Los Angeles. My advice to you is to stand pat, but do not take out your telephones. You can pay the rate the Railroad Commission has fixed, which is \$1.75 for two-party lines. If they take your telephone out they are violating their own duty and obligation under the law, but they may get the authority between now and February first."

Mr. Evans has investigated all orders issued by the Railroad Commis-

sion and by the government, which might have any bearing on the case, and his opinion was based upon his findings from these sources.

An interesting phase of the situation has come to light in the fact that our neighboring city of Burbank sent several members of her city council and other representatives to the Glendale meeting, and told their fellow

citizens of Burbank the story of the situation at a mass meeting there the next evening. The result was the organization of the Burbank Business Men's Association, and the decision of the association to join with our own city to fight the proposed hold-up, and to offer the services of their city attorney and such financial assistance as may be found necessary.

With All My Heart I Wish You God Speed

By DAVID HINSHAW

Theodore Roosevelt in sending the American Committee for Relief in the Near East a check for \$1,000. (covering his contribution from the Nobel Peace Prize Fund) said:

"It was a great pleasure to hear you speak at Christ Church. The plight of your countrymen—the Assyrian Christians and the Armenians—and the high devotion and gallantry shown by the Assyrian Christians and the Armenians, have commended the deepest sympathy and the most unqualified admiration of the American people. As I listened to your account of the dreadful situation of your people, my heart was so moved that I wished it were possible for all our nation to have vividly brought home to them the facts that you presented. With all my heart I wish you God Speed in the work of relief you have undertaken for the Christians in Western Asia. And particularly do I wish you success in your effort to raise \$30,000,000. for the maintenance of the tens of thousands of Christians, and the other refugees and sufferers, wherever found in the Caucasus, in Persia, behind the British lines, or in the interior of Turkey."

"With all my heart I wish you God Speed in the work of relief you have undertaken for the Christians of Western Asia." And with that wish in his heart a former president of the United States sent his check for \$1,000. Words, then DEEDS. "By their works ye shall know them." What are you going to give?
